

The Cohen Insider

With a new year comes a fresh start, and we at Cohen Healthcare Law Group are excited to unveil our brand-new monthly newsletter, ****The Cohen Insider****! This isn't your typical law firm newsletter by any means!! This newsletter is designed to have something for everyone, packed with a diverse array of content to keep you informed, inspired, and entertained. Each month, you can look forward to thought-provoking articles, insightful videos, fun puzzles, and engaging trivia. We're also proud to introduce our ***Employee Spotlight*** to help you get to know the amazing team behind CHCLG. Plus, we'll be including interactive polls and a feedback section, so you can share your ideas and let us know what content you'd love to see. Get ready for an exciting, dynamic read that keeps you at the forefront of healthcare law and beyond! Welcome to **THE COHEN INSIDER!**

Does Physician Prescription by Telemedicine Raise FDA Issues?

Telemedicine prescriptions may raise FDA and FTC concerns, especially when telehealth platforms manage and market services directly, highlighting the need for compliance in telemedicine operations.

Did you know?

In the early Roman calendar, March (or *Martius*) was the **first** month of the calendar year. As March brought the first day of spring with the vernal equinox, it was the start of new beginnings.

March became the third month when January and February, which were added to the end of the Roman calendar around 700 BCE, instead became the first and second months around 450 BCE.

Featured Video

This episode covers key strategies for managing legal risks, including the importance of clear patient consent forms, compliance in marketing and advertising, and consulting healthcare attorneys familiar with state-specific regulations. Learn how to keep your practice compliant and legally safe.
