

The Cohen Insider

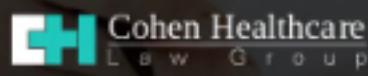

With the arrival of January, the healthcare landscape enters a season of renewal and heightened focus. The start of a new year is more than just a calendar change; it is a strategic window to align your operations with the evolving regulatory environment and set a clear trajectory for the months ahead.

At **Cohen Healthcare Law Group**, we are energized by the vision and resilience of the clients we serve. As you launch new ventures, adapt to 2026’s legislative updates, or refine your compliance frameworks, our team remains dedicated to providing the legal clarity necessary for your success.

We hope this first edition of the year serves as a valuable roadmap, offering the insights you need to navigate the complexities of healthcare law with confidence and purpose.

California AB 890 Guide for NP 103 and NP 104

California’s AB 890 is a landmark law that allows qualified nurse practitioners to practice with greater independence, especially those under NP 103 and NP 104 pathways. It [...]

Did you know?

Around the world, people celebrate the New Year with unique customs for good fortune: Spaniards eat 12 grapes at midnight, one for each month’s luck, while Japanese temples ring bells 108 times to cleanse the past. These traditions reflect a shared hope for a fresh start and a prosperous year ahead.

Featured Video

In this video, Michael H. Cohen, the founding attorney of Cohen Healthcare Law Group, discusses the significant risks associated with depending on generic legal information in the healthcare sector.
